A SMART MOVE

The project is located on Abdel Salam Aref Street, One of the largest streets in Mansoura city and is characterized by its large width and its extension to the ring road surrounding the city.

It is characterized by the passage of all public and private transportation and the availability of all services from schools, nurseries, hospitals, sports and social clubs, as well as commercial activity.

# A-TOWN

A SMART MOVE

The project includes 320 residential units extending over an area of 10,000 square meters, with areas ranging between 79 square meters and 218 square meters.
